BEN CROCKETT, 19 TO 1. WINS THE MAXIMUM STAKES.

H. S. Page's Ivan Captures the Steeplechase Bill Daly's Proceeds the Last Winner of the Season at Bennings .- Five Favor. ites Sufier Defeat on a Muddy Track.

WASHINGTON, Dec. 3. - The most successful meeting ever held by the Washington Jockey City wound up at Bennings to-day, incident-ally closing the Eastern racing season for the year. The weather was cold and raw, yet a big crowd turned out to say farewell to the sport of kings until next March. The fields were, with one exception, large and bristled with good things, but five favorites were unable to reward the form players, who have met with a series of unusual dis-

asters since the meeting began.

By far the most interesting event on the card was the Maximum Stakes, for three-year-olds and upward at three miles. There were five starters, the talent regarding Shorthose, the ton weight, a cinch at 1 to 3, al-though James F. was played to beat him at e to 2, with the rest going up in the odds because of a general lack of support. Short-hose proved to be a bitter disappointment, however, for he ran far below his usual form, and after finishing in third place it was seen that he had pulled up lame. Moon Daisy was the pacemaker for nearly two-miles and then quit. After that Ben Crockett, with 99 pounds, who was quoted at 12 to 1 and was prepared for the race by Willie Shields, t on and won cleverly by a length and a half in 5:34 3:5. James F. ran an excellent race and took place money from the favorite by fifteen lengths.

Poseur, the winner of the first race, at a mile, was the only successful favorite, yet at that she closed on equal terms with Panique at 5 to 2. Poseur took the lead at the start and never relinguished it. Oliphant having her in hand all the way. At the wire she had two lengths over Cannon Ball, 7 to 2, who was always the runner up and beat Orfeo, a 12 to 1 shot, a nock for the place. Panique was unable to untrack himself. The mile was run in

Tom Mannix and his friends pulled off a cle or trick with Tarpon in the second race, for two-year-olds, at five furlongs. The epening price was 10 to 1, but by the time the money was down 7 and 6 was the best obtainable. Frank Weir's Calmness, 6 to 1, was quickly taken to the front, but Tarpon was close to her all the way and in the stretch took command with ease. Tarpon was going away at the end, where he won by two lengths in 1:03 1-5. Calmness ruming second, four lengths before H. T. Griffin's Critical. backed down to 4 to 1. The latter was slow to begin, but closed with much stamina. Istria, the favorite, was a contender up to the last furlong, but stopped.

H. S. Page had the honor of winning the last steeplechase of the season. He was represented in the third event by Ivan and Fure Pepper, who were well backed at 6 to 1. Even though Imperialist carried big weight. he was made the choice at 5 to 2, while Wool-gatherer went back to fours. Pure Pepper, Imperialist and Woden, 8 to 1, took turns at pacemaking, but Saffel, who waited with Ivan. him loose in the run home and won driving by four lengths, the distance, about three miles, bring covered in 6:24. Woden ran second, a length and a half in front of Imperialist. Ogress, 6 to 1, ridden by Mr. Taylor, tired in the last quarter. The muddy track just suited Ruby Hemp-

for maidens and three-year-olds and over. at seven furlongs. At the five furlong pole the was absolutely last, but Collins soon got around his field, and in a drive the Star Ruby filly won by a length in 1:32, incidentally showing a surprising form reversal. Frank L. Perley, also a 12 to 1, who made the bulk of in liky he running, had a mortgage on the place, talkar hich he took from Old Glory, 4 to 1, by six Jengths. It was an open betting affair, Old Glory, St. Roma, Bobby Kean, Van Rosen and Sue Mack all closing equal favorites at

Father Bill Day's colors flashed to the Father Bill Day's colors flashed to the front in the closing race of the campaign of 1904, which was a handicap at a mile and 40 yards. He started both Proceeds and colonsay, who were coupled at 8 to 1. Baikal was the favorite at 4 to 1, with backing for Theopian, Buce King, Thistle Henther, Alster and Silver Dream, the last named being played down from 15 to 1 to eights. Coming into the stretch Silver Dream looked the winner, but stretch Silver Dream looked the winner, but cled away. Then in one of the closest linishes ever seen on the Bennings track, Proceeds, who came from nowhere, won in the last tump by a scant half length, while Jane Holly, 10 to 1; Arrahgowon, 20 to 1; Weirdsome, 10 to 1; Thistie Heather, Silver Dream, Alster and Race King followed heads apart in the order named. The time was 1:46-3-5. FIRST BACE.

BIG FIELDS AT NEW ORLEANS.
Lucy Young Wins St. Charles Handleap From Many Two-Year-Olds.

New Orleans, Dec. 3.—The largest field that has ever paraded to the post in any event in the history of the Crescent City Jockey Club faced Starter Fitzgeraid in the New St. Charles Hotel, Handleap, for two-year-olds, this afternoon. The Hayman pair, Yorkshire Lad and Saladin, were made equal favorites with Lucy Young. There were any number of tips out and the race was one of the best betting affairs of the meeting. After a brief delay, Starter Fitzgeraid got them off to an exceptionally good start. Crimmins quickly raced Lucy Young to the front in the first quarter and from there on was never headed, winning in a gallop by two lengths Saladin secured the place nicely from his stable companion, Yorkshire Lad.

Eastern owned horses cut an important figure in the racing this afternoon, in one event finishing one, two, three. The feature of the day was the riding of Jack Martin. The track was deep and sticky and the weather dismal.

Lou Meyers and Jack O'Nell Fight a Draw. The Manhattan A. C., Philadelphia, was packed to the doors on last Friday night when Lou Meyers of New York and Jack O'Neil of Philadelphia came together for a six round bout. It was a smash, slam, bang affair from the start, and when the limit was reached it was a toss-up who had the better of it. In the opening round it seemed as if Meyers would gain an easy victory. The men had only been at it for a few seconds when the New Yorker whitped over a heavy right swing on O'Neil's jaw and put him to the boards for the full count. O'Neil struggled gamely to his feet and recovered his senses after a judicious hugging. Meyers tried to put his opponent away, but O'Neil kept out of the way and on his feet to the end of the round. He gradually recovered, and in the third round be was lively, mixing it up with all his might and never giving Meyers a chance to remain idle. Meyers was cleverer than O'Neil, but the latter appeared the huskier. of it. In the opening round it seemed as if

Company I the Military Prize. The forty-sixth games of the Seventh Regiment took place last night at the armory. Sixty-sixth street and Park avenue, and there was the usual big crowd of society people to see the boys of the "gallant Seventh" perform in athletic toggery. The programme contained eighteen events, sixteen of which were closed, and in the management of running off the contests there was a slight departure from that in vogue for a number of years. Heretofore operations began at 8 o'clock sharp, but last night the beginning was half an hour later, so that those who came in fashionably late were in time for the

In the third heat of the 100 yard handicap Victor Andrews of Company G clipped two-fifths of a second off the former record of 11 seconds, held jointly by Andrews himself E. S. Owing to the liberal allowances of the handicapper, however Andrews did not have a look in at the final. D. W. Forrest of Company I did a little record breaking in his own way in the 100 yard novice. He figured on the scratch mark, and won with a fine put of 45 feet 9½ inches, which is also a new record for the Seventh's armory. The old one was just one inch less and was made at the spring games last April. With A. G. Anderson as a burden, Sheldon also captured the pursuit race from scratch, but the pair was disqualified later in the evening for not crossing the line at the turning point where Sheldon picked up his man.

NEW YORK A. C. LADIES DAY. Athletes, Fencers, maxers, Wrestlers and Swimmers I xhibit Before Fair Visitors.

The New York A. C.'s "fifty-fourth ladies day" took place at the clubhouse, Central Park South, yesterday, and it was a huge success. Though the weather was raw and uninviting outdoors yet nearly 3,000 women availed themselves of the winced foot hospitality. Manager dames J. Duffy said that nothing like yesterday's gathering has been seen at the club in years. Two thousand women were served with luncheon, and an claborate programme of athletic exercises kept the visitors interested all day. Every department of the club contributed something to the entertainment, which was well received by the fair ones.

The fencers included Charles G. Bothner.

W T Heintz and Kirk B. Johnson with Professors Koch and Gouspy. Athletic Direc-tor Grannini's tumblers and gymnasts did fessors both and Gouspy. Athletic Director Grannini's tumblers and gymnasts did good work. Among those who exhibited were T. H. Burch, Jr., W. L. Benham, H. J. West, A. L. Thomson, H. Block, E. Ashlev, R. Wiggin and W. Duncombe, Prof. Mike Donovan and his followers in the maniy art attracted a big share of attention, and so did Hughey Leonard and his wrestlers.

But the best part of the programme took place in the natacriwm, where Prof. Gus Sundstrom and his swimmers held sway. There was some racing and water polo which kept the women in roars, especially the sack race in which the competitors not alone had to propel themselves along inside of a sack, but had to scramble over an obstacle as well. A short time ago Prof. Sundstrom introduced the swimmers to the "crawl" stroke which is practical to such advantage by the Anstralians. The performers showed well the fruits of the tuition by moving very fast. In one of the heats of the 100 yards, J. Lawrence swam 25 yards in 12 1-5 seconds, which couls the world's record. Goodwin, Van Cleaf, spencer and all the others did fast work. The summarice of swimming events follow:

10 Yard Boys' Race, Handlesp.—Wen by Gerald Balrd, scratch: J. W. Couchor, 6 seconds, second: W. S. O'Connor, 19 seconds, third. Time, 47 2 5 seconds.

W. S. O'Connor, 10 seconds, third. Time, 47-25 seconds.

160 Yards, Handleup-J. W. Spencer, scratch and L. deB. Paudley, 2 seconds, tiled for first place, and the judges decided the 1 Spencer, being the man with the lowest handleap, won: H. H. Halpin, 4 seconds, third. Time, 1 minute 82-5 seconds.

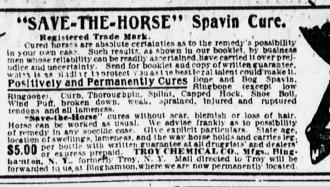

Obstacle Sack Race, 50 Yards-Won by J. A. Beddy, L. B. Goodwin, seconds, George W. Van Clest, third. Time, 41-5-5 seconds.

200 Yard Relay-Won by J. Lawrence, G. W. Van Cleaf, F. S. Cranc and L. B. Goodwin: E. Ranney, G. V. Brown, L. H. Camp and Otto Wahle, second. Time, 2 minutes, a new tank record. The old mark was 2 minutes 1-5 seconds by the Vale team in February, 1908.

Exciting Finish to Tournament of the

Amateur Billiard Club. There was an exciting finish yesterday to the weekly pool tournament at the Amateur Billiard Club of New York, Seventy-ninth street and Columbus avenue. There were nineteen competitors in the tournament, all being handicapped. Carter and Gamble were on the same mark with 39 balls each and came to the final round after winning several hard contests. Harry Forbes Makes a Hit at Kalamazoo. Harry Forbes, the former bantam champion, made a big hit in Kalamazoo, Mich., on last Friday night, when he met Paddy Nee of Pittsburg there in a ten round bout before the Kalamazoo A. C. Although the bout was a draw, Forbes was the better received man at the finish. He put up a game strug-gle, although handicapped early in the fight by injuring his left shoulder. About 1,500 persons saw the mill, and it was the flercest held in years in Michigan. Up to the third round Forbes had things his own way. In this round Nee was groggy, but his grit kept him on his feet. Forbes slowed down in the fourth because his shoulder went back on him. After the fifth round Nee did all the leading and tried hard to connect with Forbes's law for a knockout. But Harry covered himself well and was in no danger of going to sleep. The decision, a draw, was satisfactory. On the strength of their good exhibition the men will be matched for a return bout at Kalamazoo within a few weeks.

The Mark Cross stores at Madison Square and City Hall Park are attracting great numbers of shoppers on account of their magnificent display of Lurilsh noveltles in leather goods. The Cross monogram fobs seem to have caught the public fancy from the way they sell. One style consists of a combination of any two letters heavily gold plated, with a fire pipskin strap, and sells at \$1. Another is a three initial, with the third letter raised from the other two and in different colored gold, very rich in appearance, and with its pipskin straps sells at \$1.30. Monograms seem to be a fad this season, and the Cross people have ransacked flurope for smart ideas to adont them to their leather goods. That they have succeeded it well evidenced by the way the goods are selling.
